Hi Ken,

Thanks for the update.

I'll send you the information on how to go through our security (I'll be giving them your names so the security folks will be expecting you).

This is your meeting so if you can provide an agenda (draft is OK) so that I can let folks know what will be discussed that would be greatly appreciated. Also if you have anything specific that you'd like us to be ready to discuss just let me know.

Dave
